

Why Choose Virtual Front Desk?

- Virtual Front Desk will make your time more effective. They give you the ability to focus on the tasks that will make your business more money.
- Your Virtual Front Desk helps improve the efficiency of your business, keeping you on track by completing tasks that are tedious but important.
- Your Virtual Front Desk is the next step to leveling up as a salon.

What does a Virtual Front Desk do?

Your Virtual Front Desk manages the day to day tasks that have to be done to run your salon business. From client communication to social media.

Your Virtual Front Desk will have a full understanding of the way you do business. They will know what your salons hours are, pricing, and policies. They are trained on multiple booking styles to accommodate any stylist in your salon.

Talk Numbers To Me!
